Language For Learning - Language I Kit

19604 K-2
Kit 1999 SRA

Give young learners the head start they need for language proficiency and reading comprehension. With this kit your students will: learn vocabulary commonly used in school; use different sentence forms and structures; answer questions; follow instructions; acquire important information about the world around them; and see the logic behind "rules".

Reasoning & Writing

Kit 1991 SRA

Builds language and reasoning skills to prepare students not only for writing but also for reading.

Phonics and Spelling

Corrective Spelling Through

Morphographs - Revised

14185 7-12

Guide 1979 SRA

Is a 40 lesson sequence designed to improve spelling ability substantially.

Spelling Through Morphographs

16335 4-12

Kit 2001 SRA

Is a remedial program designed to give older students the tools they need to learn to spell. Teaches a variety of morphographs - prefixes, suffixes and word bases - and a small set of rules for combining them so that students learn a spelling strategy they can apply to thousands of words.

Spelling Mastery:

Guide 1999 SRA

Features scripted lessons (now in a larger print, easier-to-read format) that support teacher-directed instruction.

Horizons:

Kit 1998 SRA

Horizons differs from Reading Mastery in that it uses a traditional alphabet and capital letters and teaches a broader range of comprehension skills & decoding strategies.

Level A Kit 15400 K-2
In Level A students learn beginning decoding and basic comprehension skills.

Level B Kit 15416 K-2
In Level B the program works on decoding, word recognition and comprehension strategies.

Level C-D Kit 15420 2-4
In Level C-D the program expands key decoding and vocabulary skills while developing higher level thinking and comprehension strategies.

Horizons: Literature Collection

Kit 1998 SRA

With this collection you'll find it easy to motivate and involve children in real books. Each collection includes a guide, complete with easy-to-use lesson plans, discussion questions, and Blackline masters for challenging, hands-on activities.
