Beyond F.A.T. City - A Look Back, A Look Ahead

2005 LD Online

A follow-up to the original 1989 best-selling video, *How Difficult Can This Be? The F.A.T. City Workshop*, this program underscores the frustration, anxiety and tension (F.A.T.) children with learning disabilities experience. The discussion is filled with powerful insights and practical strategies on coaching and teaching, building self esteem, creating individualized

education plans, imparting accountability, home schooling, parental responsibility and much more. This DVD has been segmented to facilitate viewer discussion during teacher in-service meetings and to serve as a gateway to discussion during parent/teacher presentations and educational workshops. The companion Viewer's Guide helps discussion leaders stimulate dialogue through a series of thought-provoking questions and commentary.
