### Books

#### **12 Toners System - Key of C - Book 1 and Book 13**

19420 12+  
Book 1994 New Horizons  
The "12 Toners" title refers to the numbering system, which uses 12 numbered notes to make a chromatic octave. If additional tone chimes are available, the numbers can be extended up or down to include more ringers. Several different color and/ or number coding systems are presented, to make successful ringing possible for everyone regardless of if they read music. Choose to play chords as you sing the song, play a simple melody line along with the song, or combine the melody with chords for more advanced groups.

Boomwhackers tubes flat for fast, easy individual play  
with the included mallets.

## **Cactus Rainstick**

19523 K-12  
Instrument - West Music  
Traditional-style rainstick, made from the capado cactus and decorated with a woven fabric band. The traditional rainsticks originated in northern Chile where they are used in ceremonies to bring rain. Made from the skeleton of the capado cactus: when the cactus dies it is dried, hollowed out, and filled with small seeds or pebbles. Small nails are driven through the hull of the cactus in a spiral formation, and when the rainstick is inverted the fill striking the nails creates the sound of water falling.
