

Principals

Elementary Principals as Leaders of Learning

8850635 36-50 minutes 12+
VHS 2003 Video Journal

Observe how successful elementary principals serve as "leaders of learners" and keep up with the administration demands. Determine the importance of curriculum, instruction and standards. Establish a climate of

excellence in teaching to create powerful student learning.

Principal Series: Tapes 1-3

8850454 20-45 Minutes 12+
VHS 1998 ASCD

Contains 3 video tapes: The Evolving Role of the Principal; Creating a Collaborative Learning Community; and Survival Tips. Deals with how successful principals meet the challenges of their position.

Principal Series: Tapes 4-7

8850541 20-40 Minutes 12+
VHS 1999 ASCD

Contains 4 video tapes: Principal as Culture Shaper; Principal as Manager; Principal as Instructional Leader; and Principal as Ambassador. Deals with how successful principals meet the challenges of their position.

Principals - Leaders & Learners: Balance Management & Leadership Roles

8850719 30 minutes 12+
VHS 2004 NAESP

Program 1 focuses on balancing traditional management duties, instructional goals, and vision for the future to create an education-centric community for students and adults.

Illustrates the need to deal creatively with new educational and technological issues and the value of learner-centered leadership.

Principals - Leaders & Learners: Set High Expectations & Standards

8850720 30 minutes 12+
VHS 2004 NAESP

Focuses on the need to set challenging, yet attainable, goals that reflect the values and commitments of the school community. Also examines the importance of developing a school culture that is flexible, innovative and fosters student achievement.

Principals - Leaders & Learners: Demand Content & Instruction that Ensure Student Achievement

8850721 30 minutes 12+
VHS 2004 NAESP

Program 3 focuses on the importance of high quality teachers, a challenging curriculum, and current technology and instructional materials to ensure student achievement of established academic standards. This program also examines the need to continually test and review these materials through multiple forms of assessment and observation of classroom practices.

Principals - Leaders & Learners: Create a Culture of Adult Learning

8850722 30 minutes 12+
VHS 2004 NAESP

Program 4 examines the importance of providing quality, team-based professional development. Highly qualified teachers and principals can produce greater leaps in student achievement when schools invest in teacher learning and provide opportunities for teachers to work, plan, and think together.

Principals - Leaders & Learners: Use Multiple Sources of Data as Diagnostic Tools

8850723 30 minutes 12+
VHS 2004 NAESP

Program 5 examines the importance of collecting and interpreting multiple sources of data. This information can be used to identify barriers to student achievement and teacher performance, spot areas in need of improvement, design effective classroom lessons, re-evaluate school goals, and determine opportunities for professional development.

Principals

Principals - Leaders & Learners:

Actively Engage the Community

8850724 30 minutes 12+

VHS 2004 NAESP

Program 6 illustrates the value of shared leadership, decision making, and responsibility for success to encourage community ownership of the school and the school's goals. This program also emphasizes the importance of parental involvement in the school and the role of the school as a facilitator between families and community services.

Secondary Principals as Leaders of Learning

8850611 38-43 minutes 12+

VHS 2003 Video Journal

Discover how to lead staff and students by focusing on the actual learning that occurs in the school. Explore in depth the role of the leader of a school and how his or her actions as principal impact student achievement. Realize

overall school success by creating a culture of learning, teaching and the achievement of excellence in all aspects of the secondary environment.
