Grading & Reporting in Standards-Based Schools

8850738 75 minutes 12+

DVD 2007 Educational Testing Service

Contains both book and DVD. The "fixes" in the title of this new book by Ken O'Connor include four categories that reflect common grading challenges: distorted achievement, low-quality or poorly organized evidence, inappropriate grade calculation and linking grades more closely to student learning. The companion DVD, featuring Rick Stiggins and Ken O'Connor, provides educators and learning teams with an interactive professional development presentation that discusses why grades must serve a communication versus a motivation function, why focus on achievement is essential, why achievement must represent mastery of standards and how to report on other non-achievement student characteristics. Includes User's Guide on CD.
