The content of Little Red Readers is generally factual and spans a range of difficulty from very easy to slightly more complex. The sentence patterns and language are simple and predictable while illustrations provide visual clues to the text.

Cookie Monster Book of Cookie Shapes

16243 K
Book 1979 Golden
Is a storybook that has been adapted for Braille. Cookie Monster bakes some cookies for a Cookie Contest that are many different shapes. On the way to the contest, he takes notice of things that he sees with the same shape as his cookies. Each one he sees, he pulls out a cookie of the same shape and eats it. Needless to say, when he reaches the contest, he has already eaten all of the cookies. My daughter likes this book because she is a big Cookie Monster fan. It's great for getting the little ones to take note of shapes that they see all the time.

Feely Bugs to Touch and Feel

15574 2-3
Braille Book 1995 Seedlings
Fuzzy bugs, feathery bugs, lacy bugs, and leathery bugs are among the textures that kids of all ages will want to identify and play with.

Access to Mass Transit for Blind and Visually Impaired Travelers

15048 12+
Book 1990 American Found. for Blind
Addresses travel issues vital to the independence of blind and visually impaired persons from several perspectives--those of blind and visually impaired persons who use mass transit, orientation and mobility instructors, and transportation professionals. Focusing on national and international issues, this information-filled manual covers approaches to making mass transit accessible in several cities in the United States and in Canada, the United Kingdom, and Japan. Arranged in a well-illustrated, easy-to-use format, the manual offers tips, techniques, guidelines, and adaptive strategies for safe and independent travel on subways, buses, and commuter rails.

Aids for Teaching Basic Skills of Sensory Development

16154 12+
Book 1976 Am. Printing House - Blind
Discusses sensory development concepts. Contains activities and guidance for use with visually impaired and multihandicapped children. Covers: handling and placing; putting together; arranging; fitting; pushing and pulling; assembling; and maneuvering.

Assessing Young Children with Dual Sensory & Multiple Impairments: Volume 1 (Age Birth to 5)

14349 12+
Book 1996 GLARCDB
This volume is a guide for assessing children with dual sensory or severe impairments between birth and age 5. It begins by discussing a functional-ecological three-step assessment process for children birth to three years, and the steps for assessing preschoolers from three to five years old.

Assessing Young Children with Dual Sensory & Multiple Impairments: Volume 2 (Age 6-15)

14350 12+
Book 1996 GLARCDB
This volume is a guide for assessing children with dual sensory or severe impairments between the ages of 6 and 15. It presents a functional-ecological assessment process that is individually determined, contextually based, and leads directly to intervention.

Assessing Young Children with Dual Sensory & Multiple Impairments: Volume 3 (Assessment Guidelines)

14351 12+
Book 1996 GLARCDB
The purpose of this manual is to guide Individualized Education Program (IEP)/transition planning teams in assessing the transition needs of individuals with dual sensory or multiple impairments, who are between the ages of 14 and the mid-20s. It presents a person- and family-centered approach that develops a personal profile of the individual in transition, and then chooses and/or develops the most appropriate setting and service match for assessed skills and support needs.

Beginnings - A Practical Guide for Parents and Teachers of Visually Impaired Babies

15112 12+
Book 1985 Am. Printing House - Blind
Is a resource book for teachers and parents of visually-impaired children from birth to two years of age and older multihandicapped visually-impaired children performing within this same age range. Gives many easy-to-follow suggestions. Presents ways of building critical skills such as reaching, grasping, midline coordination and walking.

Vision

Braille Too

Kit 1994 Grant Wood Area Ed.
Is an instructional Braille reading and writing program for secondary students. Has ten units in Braille. It includes 600 pages of reading material and almost 200 pages of writing practice. It is written for secondary students who have previously been print readers and are learning Braille as a primary or additional tool for communication, with their interests and ability level in mind.

Kit 16195 12+

Student's Braille Reading 16326 12+

Student's Large Print

Writing Exercises 16327 12+

Children with Visual Impairments - A Parent's Guide

15049 12+
Book 1996 Woodbine House
Is intended for parents of visually impaired children to begin to get a handle on common types of concerns.

Cooking with Feeling & Other Useful Senses

15095 12+
Book 1997 Precisely: Docs by Design
Deborah DeBord, an experienced blind cook, shares 180 adaptive culinary techniques for the visually impaired in this cookbook. Not only does this contain favorite recipes, it also describes, in detail, absolutely every adaptive technique you will need as a blind cook. You've never had this much fun in the kitchen.

Early Focus - Working with Young Blind and Visually Impaired Children and Their Families

16287 12+
Book 1992 American Found. for Blind
Early intervention has increasingly been recognized as critical in the development and growth of children with visual impairments and other disabilities. Federal regulations have mandated early identification and assessment, underscoring its importance for children's well-being. Has 7 areas of focus: family, vision, cognitive, social, behavioral, movement and team.

Early Years: Get Up & Go

14184 12+
Book 1997 Royal Nat'l Institute for Blind
Fun ideas to help visually impaired children to move confidently.

Early Years: Getting Started

14180 12+
Book 1995 Royal Nat'l Institute for Blind
Is a guide to understanding your child's eye condition.

Early Years: Look and Touch

14183 12+
Book 1994 Royal Nat'l Institute for Blind
Has ply activities and toys for children with visual impairment.

Early Years: One Step at a Time

14181 12+
Book 1995 Royal Nat'l Institute for Blind
Will help in the first years of a child. Have combined information, advice, and ideas with tips from parents to help with everyday life.

Early Years: Paving the Way

14182 12+
Book 1996 Royal Nat'l Institute for Blind
Is a guide for mainstream nursery and playgroup leaders caring for visually impaired children.

Educational Games for Visually Impaired and Sighted Children

15085 12+
Book 1986 Love
Contains educational games that visually impaired children and sighted children can play and enjoy together.

Equals in Partnership

15094 12+
Book - Perkins School for Blind
Covers basic rights for families of children with blindness or visual impairment.

Foundations of Low Vision - Clinical and Functional Perspective

16314 12+
Book 1996 American Found. for Blind
This textbook considers the functional and the clinical implications of low vision, their impact on the individual, and the ways in which these implications need to be addressed by educators, rehabilitators, and other professionals. Expert authors address a variety of subjects, such as psychosocial aspects of low vision, literacy and employment, and orientation and mobility considerations with specific age groups, and provide information on the best practices in service delivery.

Vision

Foundations of Orientation and Mobility

16320 12+

Book 1980 American Found. for Blind
Is a presentation of the origins, history and present state of a key discipline in the rehabilitation and education of blind people. Divided into four main sections, the book explores every aspect of Orientation and Mobility learning and instruction.

Foundations of Rehabilitation Teaching with Persons Who are Blind or Visually Impaired

14348 12+

Book 1996 American Found. for Blind
The first comprehensive manual on rehabilitation teaching with people who are blind or visually impaired, this book details the history and development of rehabilitation teaching, also provides practical information and instructional strategies. Proven techniques are described for working with individuals with adventitious or congenital visual impairments, as well as strategies for teaching basic living skills. Included are chapters on each of the skill areas taught by rehabilitation teachers; detailed, step-by-step lesson plans for specific skills in each area; and valuable sample forms for assessing and planning the needs and course of instruction for new clients.

Functional Vision Video: Learning to Look

11502919 18 minutes K
VHS 1993 Blumberg Center

This video consists of vignettes of everyday activities showing parents helping children develop their vision skills. Each vignette demonstrates how to encourage one of the six skill areas that should be developed: localizing, fixating, scanning, tracking, shifting gaze, and eye-hand coordination.

Functional Vision Video: Learning to See

11502920 18 minutes K
VHS 1995 Blumberg Center

This video describes visual assessment and functional visual assessment. It provides practical suggestions for using assessment results to increase functional vision use.

Games for People with Sensory Impairments

16330 12+

Book 1996 Human Kinetics
Fills a long-standing need for a book about teaching students with sensory impairments accompanying by multiple disabilities.

Guide to Curriculum Planning for Visually Impaired

24356 12+

Book 1991 WDPI
A guide to describe the unique needs of visually impaired students and office suggestions for meeting those needs.

Healthy Eyes, Better Vision

16334 12+

Book 1990 Body Press
Addresses eye concerns. Will help you and your family take care of your eyes and ensure better vision.

How to Thrive, Not Just Survive

15052 12+

Book 1987 American Found. for Blind
A practical, hands-on guide for parents, teachers, and everyone involved in helping children develop the skills necessary for socialization, orientation and mobility, and leisure and recreational activities. Among the subjects covered are eating, toileting, dressing, motor development, personal hygiene and grooming, clothing selection, self-esteem, socially appropriate behavior, etiquette, management of household tasks, communication, low vision devices, and using landmarks and clues.

Independent Living - 2nd Edition:

Book 1993 Texas School for Blind
Includes the concepts of: fostering independence, flexible use, real experiences and real materials and a variety of instructional strategies.

Volume I - Social Competence 16841 12+

Volume II - Self-Care & Maintenance of Personal

Environment 16842 12+

Volume III - Play & Leisure 16843 12+

Vision

Leader Dog

11502926 29 minutes 12+
VHS 1996 Guide Dogs for Blind
Is a home video on how to train and make use of the leader dog for the visually impaired. Includes movements, commands, etc.

Learning Media Assessment

16371 12+
Book 1993 Texas School for Blind
This guide contains six chapters that outline the essential elements of learning media assessment.

Linking Literature with Self Esteem

19643 4-9
Book 1992 Learning Shop
Guides teachers in the selection of literature which can be integrated into any Language Arts Program to help build skills while directly dealing with topics concerning self-work.

Mainstreaming Preschool Children with Visual Handicaps

16414 12+
Book - U.S. Dept of HEW
Provides good ideas for helping children with visual handicaps learn and feel good about themselves.

Mangold Developmental Program of Tactile Perception & Braille Letter Recognition

16393 12+
Book 1990 Exceptional Teaching Aids
Addresses the issues relative to the remediation of identified deficiencies. Designed to promote good two-handed Braille letter recognition.

Merriam-Webster's Dictionary for Large Print Users

20301 7-12
Book 1989 G. K. Hall
Is a dictionary with large easy-to-read print.

On the Way to Literacy - Early Experiences for Visually Impaired Children

14345 12+
Book 1991 Am. Printing House - Blind
Helps parents and teachers build a foundation for literacy with children from birth to kindergarten.

One is Fun - Guidelines for Better Literacy

14352 12+
Book 1992 Dialatype
Includes: research & experience, literacy activities for preschool years, learning to read and write in primary grades and learning Braille later in life.

Oregon Project for Visually Impaired & Blind Preschool Children - 5th Edition

16485 12+
Book 1991 Jackson Co. Educational
Provides assessment and curriculum guidance to educators of young children with visual deficits.

Parents & Visually Impaired Infants

14347 12+
Book 1990 Am. Printing House - Blind
Has print materials designed to help parents of visually impaired babies become involved as primary members of the intervention team.

Pedestrian Safety Guide for Parents and Teachers with Children who Have Impairments

14346 12+
Book 1999 Dept. of Transportation
Is a valuable contribution not only to educators but to anyone concerned about the safety of people in traffic.

Physical Fitness Testing of the Disabled - Project Unique

16582 12+
Book 1985 Human Kinetics
Is a comprehensive study designed to investigate and contrast the physical fitness of normal, sensory, and orthopedically impaired youth.

Preschool Vision Simulation - It's More Than a Flashlight

15086 12+
Book 1987 American Found. for Blind
Demonstrates that vision stimulation is much more than a flashlight or a nightlight or a light probe.

Raising The Young Blind Child

16584 12+
Book 1980 NY Assn. for Blind
Parents are guided through the day-to-day situations involved in caring for and educating a blind child.

Vision

Reach Out and Teach Parent Handbook

16586 12+
Book 1985 American Found. for Blind
Contains information on early child development with activities and ideas you can use at home to help your child grow.

Reach Out and Teach Reachbook

16585 12+
Book 1985 American Found. for Blind
Helps you keep track of your child's growth and development.

Recreation Programming for Visually Impaired Children & Youth

15082 12+
Book 1981 American Found. for Blind
Designed primarily for the recreation consultant or trainer concerned with assisting the community recreation leader in efforts to provide recreation programs and services for visually impaired students.

Simon Says

16610 12+
Book 1982 American Found. for Blind
Is a collection of concept games from teachers across the country. Each game is a complete teaching activity and can be used exactly as presented.

Special Partners

11502924 18 minutes 12+
VHS 1992 Guide Dogs for Blind
A version of the popular video about Guide Dogs for the Blind.

Special Partners with DVS

11502925 18 minutes 12+
VHS 1992 Guide Dogs for Blind
A version of the popular video about Guide Dogs for the Blind.

Tack Tiles Braille System

16220 1-12
Kit 2000 Los Olvidados
Tack Tiles are a unique bridge to Braille literacy, designed to provide new routes to learning.

Teacher's Guide to the Special Education Needs of Blind and Visually Handicapped Children

15083 12+
Book 1982 American Found. for Blind
Addresses the unique curriculum essential to the education of visually handicapped students.

Teaching Students with Visual & Multiple Impairments

14691 12+
Book 1996 Texas School for Blind
Has three major divisions: population & best practices; roles of the VI teachers; and special needs of students with visually and multiple impairments.

Teaching the Braille Slate and Stylus

16643 12+
Book 1993 Exceptional Teaching Aids
Contains all the information that you will need to become, or help someone else become, a proficient slate user.

Video Voice - Speech Training System

11502921 42 minutes 12+
VHS 1992 Micro Video Corp.
Is a guided tour on how to use the computer program "Video Voice", a speech training system.

Vision Screening in the Preschool Child

15553 12+
Book 1998 National Eye Institute
This book is the proceedings of a conference held in Maryland in 1998.

Your Visually Impaired Student

16895 12+
Book 1982 University Park Press
Guide for teachers of blind and partially sighted students mainstreamed into regular classrooms.

Vision

Adapted Vision Equipment

Autofocus Binoculars - 8x22

17962 1-6
Equipment 1992 Minolta
Binoculars that focus automatically from 8x22 to infinity.
Continuous autofocusing. Includes case.

Braille Compass

15125 12+
Equipment - Silva
Is a compass with Braille markings.

Light Box

88115 12+
Equipment - Am. Printing House - Blind
Visually impaired students can learn to use their residual vision more efficiently by training with Light Box. Similar to a photographer's light table, it features a translucent white plexiglass work surface illuminated from below, providing an even, high-contrast background for opaque materials and a source of illumination for colored, transparent items. An electronic dimming control permits adjustment of the level of illumination to meet the needs of individual students and to assist them in transferring skills to a normally lit environment.

Little Room

14145 12+
Kit - Liliput
Consists of two pieces: a square multi-tasking set of boards and a large resonance board.

Magni-Cam

16981 12+
Equipment - Innoventions
Is a light weight, hand-held electronic magnifier which connects in minutes to any television set to provide enhanced reading ability for those with low vision.

Mini Light Box

18811 12+
Equipment - Am. Printing House - Blind
Is small and light, usable at a student's desk or on his/her lap, and operates for 3-4 hours on rechargeable batteries or can be plugged in with the AC adapter. Has dimming control. Ledges hold overlays in place.

Note Teller - Bank Note Reader for Blind & Visually Impaired

22871 12+
Equipment 1996 Brytech
Is a bank note reader for the blind and visually impaired.

Perkins Brailier

16528 12+
Equipment - Howe Press
The Perkins Brailier is a simple machine used to write Braille. It is a "Braille typewriter" with a key corresponding to each of the six dots of the Braille code. By simultaneously pressing different combinations of the six keys, users can create any of the characters in the Braille code. In addition to these six keys, the Brailier has a space key, a backspace key, and a line space key. Like a manual typewriter, it has two side knobs to advance paper through the machine and a carriage return lever above the keys. The rollers that hold and advance the paper have grooves designed to avoid crushing the raised dots the brailier creates. Classic machine is a precision-made brailier which will accommodate paper up to 11 1/2 x 14". Embosses 25 lines of 41 cells on 11 1/2 x 11" paper.

Reading Edge

20290 12+
Equipment - Xerox Imaging
Is a completely integrated single unit that incorporates a bookedge scanner, a speech synthesizer and speaker, a moveable keypad and VCR software.

Scope Cam with Advanced Student Microscope

20291 12+
Equipment - Scope Shoppe
Is color video microscope for today's science education lab. Attaches easily to microscope.

Space Saver Braille Reading Platform

20280 1-12
Equipment - Exceptional Teaching Aids
Fits over a Perkins Brailier, Apple II keyboard or the good old slate and stylus.

Two-Way Communication System

15115 12+
Equipment 1995 Radio Shack
Is a voice activated FM transceiver and receiver.
