Google Tools for Educators is a hands-on workshop designed to help K-12 educators get the most from innovative technologies from Google. This one day session allows participants to get experience with Google's free products for education, learn about innovative instructional strategies, and receive resources to share with other colleagues. Learn more about Google docs, blogger, search (book search, scholar search), Google Earth, Google Maps, Google Sky, Google Ocean, Google Lit Trips, Picasa, SketchUp, custom search and iGoogle and how the use of these tools can enhance your classroom instruction.

Intended audience: K-12 Educators, Media Specialists, Technology Coordinators

Registration Deadline: 6-16-09

Cancellation Policy: Any workshop registration cancellations must be received 48 hours before the workshop scheduled date, for a refund to be issued. Because attendance at most workshops has to be limited, persons registering for a workshop and not in attendance on the day of the workshop will be charged the full registration fee.
