

## Residency In Teacher Education

*Our goal is to provide professionals with a personalized learning program.*

2011-2012

Dear Potential Candidate:

Thank you for your interest in **Residency In Teacher Education (RITE)**, the CESA 6 alternative licensure pathway to becoming a teacher. With our region's growing need for "highly qualified" teachers, we look forward to working with you.

Enclosed is a *Fact Sheet* of information about the **Residency In Teacher Education** program. To indicate your interest in participating in RITE, please complete and return the enclosed *RITE Program Application*.

As a program eligibility requirement, you will need to take and pass the PRAXIS I: Pre-Professional Skills Tests (PPST) to demonstrate your proficiency in communication skills. You will also need to receive a passing score on the PRAXIS II: Subject Assessments test. We have enclosed *The PRAXIS Series™ Information and Registration Bulletin* to expedite your sitting for the tests. Should you have any questions regarding the exams, please contact Educational Testing Service at 609-771-7395 or go to [www.ets.org/praxis](http://www.ets.org/praxis).

Questions regarding **Residency In Teacher Education** should be directed to my program assistant, Donna Runice at (920-236-0534, [drunice@cesa6.org](mailto:drunice@cesa6.org)).

I look forward to working with you in our efforts to provide "highly qualified" teachers for our children.

Sincerely,
