

Great Lakes Maritime Transportation Education **Trunk**

(Great Lakes Maritime Transportation Education for K-12 Students, Teachers, and Communities)

Tuesday, June 14, 2011

8:00 a.m. – 11:30 a.m.

**Fallen Timbers Environmental Center
Black Creek, WI**

Join Libby Dorn, Director of Fallen Timbers Environmental Center/CESA 6 and Sarah Loughlin, CESA 6 Library Media Specialist, as they explore the education opportunities available through the Great Lakes Maritime Transportation Education Trunk. The trunk is funded and designed by the Great Lakes Maritime Research Institute and Michigan Technological University.

This hands-on workshop will explore the available curriculum materials, hands-on teaching supplies, Great Lakes children's literature, videos/CD's/DVD's, exciting reference materials, and dynamic posters (including a large Great Lakes map), all found within one portable trunk. Refreshments will be available throughout the workshop.

To register for this event, please e-mail Libby Dorn (ldorn@cesa6.org), or Sarah Loughlin (sloughlin@cesa6.org). We look forward to exploring the Great Lakes with you!
